My Profile

Name: Velislav Stefanov

Birth: 27/12/1996

Gender: Male

Nationality: Bulgaria

Professional Experience

Kwestie Van Ief (Sep 2016 - Mart 2017)

- + Vectorizing files/objects recieved from clients and setting them ready for print
- + Supervise the assessments of all graphic materials in order to ensure quality and accuracy of the design
- + Managed up to several projects or tasks at a given time while under pressure to meet weekly deadline

Graphic Designer at MatDesign (Sep 2017 - Mart 2018)

- + Recommended and consulted with clients on the most appropriate graphic design options based on their overall marketing goals.
- + Creating custom beer mats design and making them print ready

Web Designer at Kukui Corporation (Mart 2020 - April 2021)

- + Own the web design process from end-to-end (concept, design exploration, IA and flows, wireframing, interaction design, detailed specs, and collaboration with engineering)
- + Collaborate closely with engineers to shape my work and bring the web presence to life

Freelance Web designer (Mart 2016 - Present)

- + Designs web page layout, graphics, color schemes and infrastructure to maintain a cohesive website based on the organizations communications strategies and goals.
- + Researches and evaluates new related technologies.
